

TO WHOM IT MAY CONCERN: Subject Regarding KLOVE Radio.
I have listened to KLOVE for years it has helped me since teenagehood to find positivity in mainstream radio with music that is uplifting and sends a good message to people of all ages.
It is so convenient to be able to drive through city after city on long trips and to be able to pick up KLOVE Radio almost anywhere.
THIS STATION IS A LIFE SAVER WE NEED KLOVE TO CONTINUE TO BE BROADCASTED ON ITS CURRENT FREQUENCY ON TODAY'S FM RADIO!!!!!!
